The rates to be levied at special ferries shall be fixed by the Collector in each case with the sanction of Government.

These fares, besides giving the persons paying them a right to the conveyance of their vehicles and animals and their loads across the ferry, are, in cases of wheeled vehicles, to pay for embarkation, disembarkation, and (at the ferries where it is declared necessary by the Collectors) taking the vehicles to the top of the opposite bank, sufficient men for this purpose being provided by the ferry contractor, without causing delay in the working of the boat. No charge is to be made for little children in arms. The fare chargeable for a wheeled vehicle does not cover the fare for the animal or animals which may draw it. Half the rates only are chargeable for animals made to swim alongside of the boat.
